SCHOOL NEWS

Principal's Message

Welcome back to an unusual and delayed start to 2021, it has been wonderful welcoming all the Brentwood families back. A very special welcome to our newest families and thank you for enrolling with us. It was most enjoyable wandering the school grounds during the breaks and witness the joy of childhood in action signified with laughter, singing, running and play. I want to acknowledge the preparation and organisation of the teachers in the classrooms to be ready for students on day one despite the interrupted start and the glow of smiling eyes behind face masks as they welcomed the children back. I trust that parents are adjusting well to the new start and end times. On a positive note, most children are giving positive feedback on the new school day and have made smooth transitions into their new classrooms and are fitting into classroom routines quickly. Our first whole school assembly will be hosted next Friday 19th February, however, Captain's Table will not begin until the following assembly on 5th March. In our first Captain's Table we will be discussing our beliefs about curiosity, creativity, courage and confidence. The P&C will host their first meeting Tuesday 16th February and we will have an open meeting for school council in Week 4 on 22nd February. I am honoured as always to be the principal of WA's Best Kept Secret, Brentwood Primary School.
